## Women's Residential Program

### What is A Woman's Way?

A Woman's Way is a gender-responsive and trauma-informed residential treatment program for adult women with substance use disorders. A Woman's Way provides intensive and comprehensive treatment services in an intimate environment. Each resident receives personal attention and support as she becomes a member of a healing community of women.

This sixteen-bed facility is a tranquil and private setting for women with a serene creek and many nearby outdoor amenities. It is a peaceful place where women can begin to heal physically and emotionally from substance use disorders. A Woman's Way offers a safe, structured, and supportive environment; developed by women, for women.
